We are excited to announce Thomas Crawford has been named to Lawyers of Color's Inaugural Nation's Best List. He will be featured in their Nation's Best publication for 2019 and recently attended a reception where he was honored for this notable recognition.

Lawyers of Color celebrates attorneys of color and research regarding the connection between the legal profession and social justice. This organization is devoted to promote diversity in the legal profession and advance democracy and equality in marginalized communities. Their Nation's Best list recognizes law firm partners and senior-level corporate counsel.

Tom's commitment to diversity and inclusion, as well as his noteworthy accomplishments as a litigator and trial attorney as a partner at Litchfield Cavo, led to his selection to the Nation's Best list. He continues to represent individuals and companies in a broad range of matters including business litigation, construction, insurance coverage, products liability and professional liability.
